

10 November 2020

14:00-16:00 Introduction (A. Ricci, M. Weinelt)

17 November 2020

14:00-16:00 Exploring socio-environmental change on sound chronologies:
14C Dating and dendrochronology

18 November 2020

14:00-16:00 Reflective Turn I

1 December 2020

14:00-16:00 Material Science & Material Culture

15-17 December 2020

9:00-13:00 Science communication: Scientific writing I (block course, including
previous assignment; two parallel groups)

5 January 2021

14:00-16:00 Reflective Turn II

12 January 2021

14:00-16:00 Climate and environmental change:
Stable isotopes and biomarker Approaches

19 January 2021

14:00-16:00 Geophysics & Geoarchaeology

27 January 2021

14:00-16:00 Ethnoarchaeology & Archaeobotany

9 February 2021

16:00-18:00 Models and statistical approaches, CIDS

16 February 2021

14:00-16:00 Science Communication

23 February 2021

14:00-16:00 Conclusions (discussion forum)

Interdisciplinary approaches to ROOTS questions
